

Jetic Gū

Columbia College

Please remember to include your name and student number.

You are required to utilise basic HTML to write a small webpage containing your essay.

You must make sufficient effort to ensure the submitted webpage is properly formatted. Failure to comply will result in a ZERO grade. Your submission must be a zip file with the following file structure:

```
answer.zip
  index.html
```

Final Project Hand-in

Your project will need to be submitted as an essay. You will present all your findings, alongside any images and references together. Usual requirements for essays apply. Failure to include references properly, or having sufficient amount of paragraphs written by AI will result in plagiarism charges.

1. The first part in your `<body>` tag should include a list tag, including all your team members' names and student numbers. Only one student out of every teams needs to submit.
2. You will need to incorporate my feedbacks to your presentation in your final essay.

Grading criteria

- Effort + Quality of work
- You should have around 3000 words (excluding references) in your essay.
