

Jetic Gū

Columbia College

This assignment is due on 13 Nov. 2023. This assignment is an individual work.

Please remember to write your name and student number.

Please submit a single PDF for each assignment. Handwritten submissions and proprietary formats (e.g. Pages or MS Word) will not be accepted.

## Assignment 3

1. Conduct a quick research on the internet, find statistics that demonstrates the current scope of AI artwork generation. Provide at least a list of 3 such services and compare their results. (~250 words)
2. Come up with prompts that breaks ChatGPT, must be somewhat original. (~250 words)
3. Conduct research on Computer Graphics in the film industry, analyse the progression of CG technology and their roles in film. You should mention at least 5 major films, include information such as the costs involved in CG, how many minutes of footages of the entire film involved CG, as well as how advanced the rendering software/hardware was at the time (~250 words).
4. Compare Dropbox, Google Cloud, MS OneDrive, and iCloud Drive, discuss the pros and cons of each. Comparison should cover at least 5 different aspects, such as *ease of sharing/collaborated working*, etc. (~250 words).
